Justification

Time, space and funds can be saved by establishing a secondary immunization site with a full-time medical technician in L Building. Over 90% of immunizations are concerned with personnel assigned to K and L Buildings and vicinity.

Requirements are as follows:

Personnel

Medical Technician, GS-7 (1)

Funds

Vouchered Funds

Personnel	\$3,825
Equipment	500
	<hr/>
Total	\$4,325

Space

The health room space in L Building can be utilized, so that no new additional space is required.

Coordination:

The program has been coordinated with OSO, OPC and Security, and concurrence has been obtained from each office.
